Uniform Policy

Updated May 2018

Rationale:

A uniform with high visual impact makes a positive statement about our schools' values and creates a sense of unity among the students. At St Joseph's, we believe that the school uniform should be comfortable, functional and affordable. Wearing this uniform will engender pride in our school and distinguish us as a school community. We actively encourage the children to take pride in their appearance and to dress in the correct uniform at all times. We require the support of all parents, students and teachers in maintaining the standard of our uniform.

Aims:

- To maintain a good standard of uniform
- To provide clear expectations
- To assist parents

Implementation:

Who is involved? Parents or Caregivers have sole responsibility for the purchase of uniforms for their child. Students and staff have a role to play, in ensuring compliance and maintenance of an appropriate standard, at all times.

General:

- The Principal will inform parents of this policy each year, during the Orientation Program and via the parent handbook, school website and school newsletter.
- All the main uniform items e.g. tunics, dresses, shorts, shirts, polo shirts, jumpers and jackets are to be purchased from the school. Order forms are sent home each semester and are also available on the school website.
- Students are encouraged to take responsibility for a neat, clean and tidy uniform e.g. polish their own school shoes.
- No nail polish, hair colouring or makeup.
- Students who have pierced ears should wear one set of studs, for safety, however small sleepers are acceptable (plain gold or silver). No other visible jewellery should be worn, except watches.
- All clothing and belongings should be clearly **labelled**.
- Wearing a school hat is compulsory.
- **Shoes:** Students must wear black leather, traditional or boot style school shoes that *can be polished*. Sports shoes should be worn on the allocated Sport day. Suede or canvas shoes are not acceptable at any time.
- Parents are requested to provide a note of explanation should a child be unable to wear part of the uniform. Consequence for this breach is clearly outlined in the school's "*Behavioural Support Policy*".

Hair

- Hair is to be neat and well groomed.
- No brightly coloured hair dye, that is in contrast to the students natural hair colour, shall be used
- Any parts of the head shaved shall be at a 'number 2' barber's comb or above
- A small, exaggerated part-line within the hair is acceptable but no other lines or markings within the hair
- Students with long hair (i.e. hair determined to be long enough to be pulled back into a ponytail or such) must have hair of a consistent length all the way around the head.
- Students with long hair (as determined above) must have hair secured back from the face for safety and hygiene reasons
- Only school coloured (Navy, gold and / or white) hair bands or ribbons should be used
- No other forms of 'extreme' hairstyles (as determined by the school executive) are acceptable

Specific:

SCHOOL HAT: The school hat is compulsory and must be worn as part of our school uniform. Replacement hats are available from the school office at any time.

The school employs a 'No Hat – No Play' policy.
