## *TRIVIA NIGHT TRICKS!*

BY ELISE PROSSER

When it comes to trivia nights, nothing beats a good night with friends and family. A few drinks, some food and trivia that makes you laugh and think about things you'd never thought you needed to remember. Everyone is on even grounds with trivia from sports to arts, entertainment to good old Aussie slang and so much more. On the 30th June we are holding one at 6pm here at the school so here are my tips to giving you the best chances.

Putting together a team is the first key to making it a fun and laughter filled night. If you are like me, then you may have a slight (of course friendly) competitive streak so being strategic in your team mates can give you better odds.

If you are also like me, this first tip goes out the window as you know most of your friends can nail one category but the rest is just a guess! That's also the fun of trivia - the freedom to be wrong and enjoy every minute of it.

My Second tip would be to read up on random events and songs and sports and famous names and dates and ... who are we kidding, have a wine (or soft drink), eat some cheese off a platter and take a good guess - and no phones are not allowed (I knew that's what you were thinking).

My final tip is to buy the tickets and platters early. Missing out would be horrible and I know by now you cant wait to try out my tips so ring Mary and secure your individual tickets or even a table (if you buy a table make your table name is something intimidating like scary kittens or ferocious seagulls - we all know this is vital to showing up your competition.

Phone 6553 4774 for EFTPOS ticket purchases or purchase at St Josephs Wingham administration

Canteen open for drinks and food throughout night!

# CANTEEN FOR OUR KIDS

BY ANN MCDERMOTT

Canteen News: A meeting was held on 24 May to discuss canteen structure and menu. In alignment with the NSW Healthy Canteens Food and Drink Benchmark, we are looking into ways to provide healthy meal options and a greater variety of menu items and the recent canteen survey responses showed support for this. Coming up in June, we will be sending delegates to a workshop on the Healthy School Canteen Strategy. As well as substituting some menu items and extending our menu to include

new items, you can expect to see more Meal Deals over the coming seasons. The canteen is always in need of more volunteers, so please don't hesitate to talk to Mary in the school office if you can find a couple of hours once a month on a Monday or Friday.

There are also occasional food preparation jobs to do in the canteen that can be done on other days of the week if it suits better. If you are a relatively new family to the school (ie. Kindy, Year 1) we need your help!

Understandably, many of us are busy on work days, but if you are able to help it is very easy and you will be in excellent company.

As the saying goes, many hands make light work!

The P&F are also looking for volunteers to help out in the canteen on Trivia Night, 30 June, either beforehand preparing platters, or over the counter during break times. Please let Mary know in the school office if you are able to give us a hand.

# COOKING UP A STORM

BY ANNA MACMILLAN

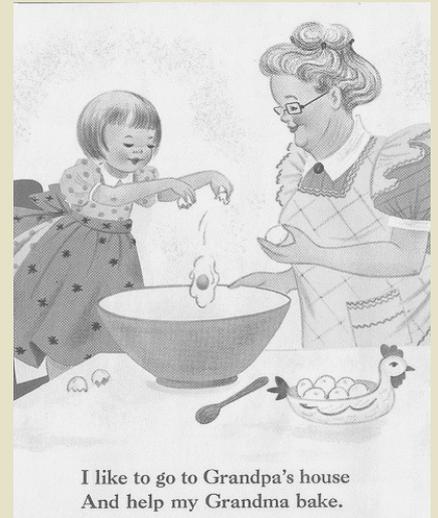

• Do you have a recipe that makes your mouth water? Do you love to whip up some masterpieces in the kitchen?

• We want you!

• Jump online to [publishedauthors.com.au](http://publishedauthors.com.au) and submit your recipe via the St Josephs link.

If you want to advertise in the books amazing deals for only \$30-\$70. I mean how can you say no!

• Contact the office for more details or email [pelican222@hotmail.com](mailto:pelican222@hotmail.com).

I like to go to Grandpa's house And help my Grandma bake.

# ART YOU CAN EAT OFF

BY ANNA MACMILLAN

Get your forms back now for our artwork fundraiser we have happening. Children design their piece of art and it then gets transformed into items such as plates, calendars and so much more. Imagine having something to treasure for life!
