THE FETE ROLLS INTO JOEY'S AGAIN

BY ELISE PROSSER

Can you believe we are in Term 3 already! This means we are in full swing with our fete planning. Last years Fete was a huge success and this year we are hoping to make it just as good, if not better!

WOOHOO!

Get your forms back now for our Artwork Fundraiser. Students design their piece of art and it then gets transformed into items such as plates, mugs, calendars and so much more.

We'd love for you to join in this exciting and creative activity. Just choose which products you

would like to order, and how many of each product you would like. Fill out and bring in your order

form with cash or a cheque made out to St Joseph's Primary P & F in an envelope marked 'picture

products'. If you would like to pay online please follow the link,

<https://pay.pictureproducts.com>.

There will be rides, food, markets, entertainment and so much more but to do this we need your help! Coming home is a letter asking for help. This help can come in many different ways and I am now asking for people to put their hand up to assist in any way possible. We have an amazing school community and really want as many heads as possible as in the end every cent goes back to our kids!

I was to also say a huge thank-you to everyone who came to the trivia night. It was a hilarious night and everyone was in high spirits and even get their dance moves on at one stage in a dance off. Props to Glenn Harris for taking out the top place for his Gangman style and to the Twilights for coming in first place!

I can't value our volunteers enough, and this showed at the trivia night. We have an amazing parent group here at St Josephs Wingham and I am very proud to be among you all.

Trivia? NIGHT?

Please know we are always welcoming new parents as well so feel free to get involved and enjoy these events we put on. Our kids appreciate what we as parents do - 'cause who are we kidding its a big job to be a parent!
