

Congratulations on your healthy school canteen

Dear Emma Timmins,

Well done on achieving a healthy school canteen. I would like to thank you for your very important contribution to supporting the health and wellbeing of your students.

The NSW Healthy School Canteen Strategy is a key initiative to support the Premier's Priority to tackle childhood obesity. Having a healthy canteen means that your students are more likely to develop healthy eating habits that will have a long-term impact on improving their lives.

To recognise your achievement, you have been awarded the Healthy School Canteen Badge and Certificate. These can be used to show your community that you have achieved a healthy school canteen by displaying them on your school newsletter, website or canteen.

We will also add your school's name to the Premier's Priorities website to celebrate your success. You will soon be able to see your school online at <https://www.nsw.gov.au/improving-nsw/premiers-priorities/>.

Congratulations, and thank you again for your great work to support your students.

Yours sincerely
