

Come and join us as we journey deeper into our Catholic faith, unveiling God's love and plan for our lives.

Over the course of several months, the Taree RCIA team will present ten core teachings of the Catholic Faith, in the hope to inform, provide answers and inspire those attending to develop a deeper understanding of Catholic Church teaching.

The topics presented will be as follows;

- **The story of Salvation:** Creation, Fall and Redemption. How do I fit into the story of Salvation?
- **The person of Jesus Christ:** The mystery of the Incarnation. Why did mankind need a Saviour and how does He bring me new life?
- **The Holy Spirit and the Life of Grace:** How does God's divine life dwell within us?
- **The Church:** Why do we need a Church?
- **The seven sacraments of the Church;**
- **Baptism:** How does Baptism raise me from death to new life?
- **Confirmation:** How does Confirmation empower me to spread the gospel of Christ?
- **Holy Eucharist and the Mass:** The Source and Summit of the Catholic Faith. How does the Eucharist conform me to the one body of Christ?
- **Confession:** How does this unique Sacrament help me conquer sin?
- **Anointing of the Sick:** How does Christ carry me through my final battle?
- **Marriage:** What is God's divine plan for love and marriage?
- **Holy Orders:** How does Christ minister to me through His chosen priests?
- **Mary and the Saints:** What role should Mary play in the life of every believer? What do Catholics really mean when they say they 'pray to' Mary and the saints?
- **The Last things:** What happens after we die?

Topics will be presented once a month in the Taree Resource Centre. Date and time to be advised in the church bulletin. Coffee, tea and a light meal will be provided.
